## EDUCATION

---

### University of Rochester (May 2023)

Dual-degree B.A. in Studio Arts and Biology with a minor in Psychology

GPA: 3.96

### Google UX Design Certificate (Online, June 2021 – January 2022)

Completed a rigorous training program focusing on UX research fundamentals, inclusive design, low- and high-fidelity prototypes, and tools like Figma and Adobe XD. Worked on 3 hands-on, user-centered projects.

## WORK EXPERIENCE

---

### Epic Systems *Project Manager for Beaker Application and Testing* (Verona, WI | July 2023 – present)

Oversaw a team of nineteen hospital-employed analysts through a complex healthcare software implementation. Facilitated team meetings, leadership check-ins, and decision-based workgroup sessions to ensure project alignment and timely delivery. Traveled to meet customers once a month. Advocated for customer needs during the installation. High ratings on personnel evaluation led to a 22% raise after 9 months of employment.

### PUSH Physical Theatre *Social Media Strategy Intern* (Rochester, NY | May 2022 – July 2022)

Designed and created brand-consistent graphics and media for social media platforms using Adobe Express. Photographed and edited images of live performances with Adobe Photoshop for promotional use. Researched and implemented social media strategies to boost engagement.

## ART EXHIBITIONS

---

- 2023 *See, Imagine*, ASIS Gallery, Rochester, NY, USA  
Senior thesis exhibition showcasing six photography, sculpture, and mixed media pieces, developed over nine months. Centered on the theme of fantasy creatures in modern times, the visual pieces were paired with reimagined folklore narratives to immerse viewers in the unique perspectives of these mythical beings, inviting a deep exploration of their imagined worlds.
- 2022 *All Things Considered*, ASIS Gallery, Rochester, NY, USA
- 2022 *Connected Methods*, ASIS Gallery, Rochester, NY, USA
- 2020 *Scads and Dodads*, ASIS Gallery, Rochester, NY, USA

## TEACHING ASSISTANT

---

- 2023 Evolution, University of Rochester
- 2021-22 Organic Chemistry, University of Rochester

## AWARDS

---

- 2022 Second place, Art of Science Competition, Hajim School of Engineering & Applied Sciences, USA
- 2019-23 Prince Street Scholarship for outstanding creative capacity in an artistic field, University of Rochester
- 2018-19 Photos selected for exhibition, *Lexington Youth Arts Council Juried High School Art Exhibition*, KY
- 2018 First place in photography, Kentucky Art Education Association All-State Art Competition
- 2018 Honorable mention in photography, *Lexington Youth Arts Council Juried High School Art Exhibition*, KY
